Release of Souls
Interactive Memorial Sculpture and Art Exhibit
7 – 8 June 2005
Los Angeles Convention Center West Hall
FDIC West Fire & EMS Training Expo
“A Gift of Healing for the Human Spirit”

Q: How do Public Safety Officials benefit from the sculpture?

A: The ROS sculpture promotes Public Safety officials and is therapeutically created to be of practical use, the sculpture encourages Uniformed Public Safety Officials, Military, Fire Fighters, EMT's, Paramedic's and Police Officer 's to come together and build the 18ft high by 23ft wide metal structure, benefiting by discussion, camaraderie and allowing individuals to make it personal by adding their fingerprints to the metal beams, this ensures that it will have been touched by 1000's of Brothers hands and have become a very meaningful gift from "Brother to Brother" for formal hand over to FDNY, New York 11 Sept. 2006.

Please inform your personnel and encourage them to become part of history!

We require 10 volunteers for Sculpture Assembly
6 June 2005 (6 – 8 hours)

We require 10 volunteers for Sculpture Strike
