

SEPTEMBER 11

Memorial Service

Three short years ago, the Fire Service and Law Enforcement lost hundreds of our colleagues. We will pay tribute and honor our fallen heroes with a reading of the names and tolling of the bells. The ceremonies will begin at 3pm on September 11th, at the Organ Pavilion in Balboa Park (see reverse side for map). A reception will follow at the Japanese Gardens adjacent to the Organ Pavilion. We encourage all attendees to stay and participate in the Release of Souls Concert, www.releaseofsouls.org.

We request members of the Fire Service, Local, State and Federal Law Enforcement to stage at 2pm on September 11th at the Organ Pavilion.

Contact Dan Noonan, with a list of names of your members who wish to read (85 readers required), by fax (858) 481-6409, e-mail: danstaylow@aol.com or by phone (858) 481-6409.
